Dominar Owners Club (DOC) was formed in Delhi (India). It has chapters across India.

DOC in Kerala was formally formed in the year **2017**. Started with chapters across cities in Kerala.

DOC Kerala was registered in the year 2019.

DOC takes pride in conducting **ALL KERALA DOMINAR OWNERS MEET** in the year **2017** and **2019** giving opportunities to bikers to meet, blend and unite as brothers for ever. This festival has been very successful.

CORE

One MEETING and One GROUP RIDE of DOCIANS on alternate months to be conducted in their respective chapters across Kerala.

Depending on the strength and feasibility the meetings and group ridings of each chapters can be increased in frequency during the said months.

The attendance of DOCIans for the meetings and group rides is very important for them to continue their membership with the club.

IDEOLOGY

RACING on ROADS are termed RASH... but do that on TRACKS it is called RACE.

At NO point of time, DOC will encourage riders to engage in RASH RIDES during group rides.

Recommended RIDING GEARS are a must during group rides and we will not allow riders to participate in group rides without it.

Group rides is all about being WE's so let go of I's and accommodate the ethos of DOC.

Uniform across Kerala, apart from city wise rules.

BELIEF

We have an accepted norm across India and we have bikers who own 250cc and 400cc bikes of BAJAJ DOMINARS as DOC members.

Doesn't matter what you ride GIVE RESPECT to GET RESPECT.

DOC promotes: I don't ride my own bike, but I do ride my own biker.

So we will not encourage any kind of discussion, comparison or unacceptable behavior that endangers the secular fabric of our club. **So be careful and mindful.**
